

The files included in this folder can be used to replicate the tables and figures in our article “Autocratic Institutions and Civil Conflict Contagion.”

The analyses reported in the paper were conducted in Stata 12, and users with access to versions of Stata 11 or 12 can use the data file “MavesBraith\_JOP\_data.dta”. Users with older versions of Stata (9 or 10) should use the file “MavesBraith\_JOP\_data10.dta”.
